European Conference on Eye Movements 2015

Call for Abstracts

Deadline for symposia is January 15th, 2015!

We are very pleased to announce this call for abstracts for the 18th European Conference on Eye Movements (ECEM). As in previous years, we look forward to an exciting conference. ECEM is the 18th European Conference on Eye Movements. It is the largest conference on eye movements worldwide. Its main aim is to promote cooperation and communication between researchers and research fields, as well as exchange of information on the state-of-the-art of research, equipment, and software in the field of eye movements. Therefore, ECEM brings together basic as well as more applied researchers from different fields including neurophysiologists, psychologists, neuropsychologists, clinicians, linguists, computational and applied scientists, engineers and manufacturers that are interested in eye movements.

ECEM 2015 will be held from **August 16 to 21, 2015** in Vienna, Austria. The conference chairs are Ulrich Ansorge, Thomas Ditye, Arnd Florack, and Helmut Leder from the Faculty of Psychology of the University of Vienna.

This year's keynote lectures will be given by Jukka Hyönä (University of Turku, Finland), Laurent Itti (University of Southern California, Los Angeles), Peter König (University of Osnabrück, Germany), Tirin Moore (Stanford University, CA), John K. Tsotsos (York University, Canada), and Robin Walker (Royal Holloway, UK).

ECEM 2015 offers the possibility to submit **symposia**, as well as individual **talks** and **posters**. Please read all instructions to ensure that your contribution can be considered for ECEM 2015.

For further information and for the submission of your abstracts please visit the conference website:
<http://ecem2015.univie.ac.at>

With best wishes for a joyous season and a very happy new year!

We look forward to welcoming you to Vienna!
